ALLEGED JEWS HAVE DESIGNS ON PALESTINE

(By Associated Press)
JAFFA, Palestine, Jan. 19.—The government forces in this district are attempting to stop rioting here by imposing fines on the inhabitants of the communities which participate in them and following this up with raids upon the towns and villages in the Jaffa district to collect the fines.

The experiment is an unusual one and its success up to the present is not evident. The Zionists are jubilant and see in this action a definite alignment of the government on their side. On the other hand, it has stirred up bitter feelings on the part of the natives who see in the government's action the beginning of Jewish domination and the betrayal of their passionate longing for national freedom.

A fine amounting to \$25,000 was imposed by the government on five towns and villages in the Jaffa district for alleged attacks made last May by their inhabitants upon Jewish colonies nearby. To collect the fine large bodies of English, Jewish and Hindu troops having machine guns surrounded Tel Karom and four other villages near Jaffa, sent in men and confiscated all the livestock, including the oxen, led the animals into the fields and placed them under guard.

GOVERNOR SAYS HIGHWAYS ARE THE VERY BEST

(By Associated Press)
OAKLAND, Cal., Jan. 19.—California's highways were praised by Governor Stephens in an address here today at the annual convention of the California Real Estate association. The governor said that constructive criticism was always welcome, but "blatant blasting" of the highways is unwarranted and harmful.

"The United States bureau of good roads but a few months ago made a thorough investigation of our state highways," he said. "They made some criticism and offered some suggestions but, all in all, gave California's highways wonderful praise as well as credit for being honestly and economically built. If the federal government can praise so remarkably can't you do so? In justice to yourselves and to the state I urge upon you to do so."

ORGANIZATION OF WORKERS IS HAWAIIAN IDEA

(By Associated Press)
HONOLULU, T. H., Jan. 19.—Workers of all races in Hawaii are considering an international organization among the rank and file to be known as the United Workers of Hawaii, with the aim of readjusting the trade unions in Hawaii and building up an industrial form of organization that will unite in one body all the wage earners without discrimination as to sex, race, creed, color or religion, and gaining a direct voice in the management of industry, according to the preamble to the constitution being voted on by the various bodies.

"We believe that labor is entitled to a voice in the management of industry and has a right to determine the conditions under which it shall function, to the end that it shall receive the full value of what it produces," the preamble continues. "We desire to cooperate to the full extent with the various national and international trade unions and with the American Federation of Labor, but we call attention to the fact that conditions in Hawaii are different from those on the mainland or in any other country, and we insist that we are the best judges of our own wishes and of the tactics to be followed to secure the ends we have in view."

RUSS GENERAL IS JUST PLAIN MOTOR DRIVER

(By Associated Press)
PARIS, Jan. 19.—Passersby on the boulevards were surprised recently to see a distinguished looking man fall on the back of a taxicab driver and kiss him on both cheeks. The regulation salutation between Russians. The passenger was a Russian admiral and the chauffeur was a former Russian general, celebrated during the first period of the war, now earning his living by driving a taxicab.

Students who take their meals in a very modest boarding house in the Latin quarter had a similar surprise recently. As the serving woman, a woman of middle age whose worn garments could not conceal her distinguished appearance, approached a table, a young girl student suddenly arose, knelt on one knee and kissed the hem of the waitress' apron. The student had recognized her as a former lady in waiting of the Russian court.
